

MAHBUB HOSSAIN FAISAL

PROFILE

I am currently doing my undergrad which is BSc. in CSSE. I'm interested in Full Stack Web Development using MERN Stack. I also solve problems regularly related to data structures and algorithms.

I am very much passionate about problem solving. Currently, I'm working in these two domains to enrich my knowledge. Moreover, I have always been regular and sincere with my academic studies.

CAREER OBJECTIVE

A career in Software and Web development where I can exhibit the best of my abilities and grow continuously by learning new technologies.
